HE DORTEOUS & MITCHELL

This Is Clean-up Week

The offerings we make this week will be the strongest kind of an invitation to save money on needed household articles, as well as all kinds of wearing apparel.

During the Clearance Sale, a lot of short lengths and odd sizes have accumulated. All these will be offered, this week, at prices which must move them quickly.

Every department in the store is included in this bargain event, and the chances for economy are such that no one can afford to ignore them. Come any day this week-Come Today if pos-

LONG TERM PRISONERS MAY BE RELEASED FROM WETHERSTIELD

Hartford, Jan 25.—Possibilities of some initry or more thirty-year men being liberated from state prison lie being liberated from state prison of the conput directing Warden Scott of the Con

diste was set for the hearing as it will have to be arranged to suit the conversion of the state's attorney of New Haven county. The warden will be notified when it bring Anderson to Hartford.

Anderson has been at the prison for it years, bring sent there from New Haven as a habitual criminal under a maximum sections of thirty years. A the time he was tried and cohvicted of soliciting another to commit a dureiary, and in connection with that case—as has been the custom of state's attorneys —Anderson was charged with being and habitual criminal, third offense, as he had astroduced in the case.

The Connecticut supreme court in habitual criminal under a maximum section with that chee had astroduced from the time of the immediate offense convictions should not be introduced in the case.

The Connecticut supreme court in the case is though it was fought in the addate by should a dozen of the immediate offense charged as it is prepadicial to the fetendant in the case.

New York, Jan. 25 .- Hanford Mac-New York, Jan. 12 - cannot dealer, national commander of the American Legion, issued a statement today, charging Secretary Melion with having adopted a "waichdog of the treasury" attitude toward the bonus question in his latter opposing the measure, sent yesterday to Chairman Fordney of the house ways and means committee.

The secretary is taking the most pes smistle view" of the bonus situation, Colonel MacNider said, asserting that figures and estimates cited in the sec-

retary's leiter did not agree with those complied by an actuary of the treasury department and submitted by Senator McCumber at the last session of con-"We know American people want the bonus," the legion commander declared. The adjusted compensation plan would do more to strengthen the economic

ric of the nacion than any other thing that can be done at this time.

Nor is there my reason to believe that all excervice men will elect the cash bonus as alternative. But when thousands of ex-service men are walking the streets we don't believe they ought to be dictated to as to what form of compensation they ought to take."

BRANDEGEE HOLDS TREATY DECISION IN ABETANCE

Specia Ito The Bulletin.) Washington, Jan. 25.—There is no foundation for the report that Senator Brandegee has determined to oppose the conference treaty when it comes up in the sep . Mr. Brandegee today contradicts, that story and made many be used to glorify God; we little know the power of the word; many a time a word is spoken that hurts the heart, musing comments on expidence writer who posed as mind readers, adding "I do not know what stand I shall take nor shall I know until the treaty is before the sanate for discussion. I want to read it and hear it discussed before the young men and women come to the forks of the road; a young woman may be invite! to go to this or that place this may be a fork in the road to her; she should stop and think carefully before she accepts every invitation; if I make up my mind as to my position regarding it."
